TESTIMONIAL

I hereby confirm that

ALVIN ALAIN MEYER

is a law student known to me.

I came to know Mr Meyer during July 2012 as a final year law student at the Nelson Mandela Metropolitan University, when he attended compulsory practical sessions at the NMMU Law Clinic.

Mr Meyer had a very pleasant personality whenever we had contact. From his interaction with myself and fellow students, it was quite evident that he is a person who treats others with the greatest respect and dignity. He attended the practical sessions diligently and it seemed that he always approached his commitments in a very professional and serious way. This makes Mr Meyer a worthy candidate for any position of employment in which people and communication skills play a vital role, and more specifically the legal profession.

It is therefore without any doubt that I can recommend Mr Meyer for any position of employment for which he applies and my best wishes accompany him on his career in future.
