<p>I am a well-balanced, confident, dedicated, hardworking, team player, seeking permanent employment to gain experience and grow in my career even though I am still studying to complete my LLB Degree at UNISA (currently in my final year).</p> <p>Studying with UNISA enables me to manage/balance my own time to make my studies fit in around a permanent position.</p> <p>I worked with Advocate Glenn Babb for 8 years, and after he encouraged me to enroll for a law degree, I resigned my full time position from Babrius cc to focus on my studies full time. I enrolled at UNISA in 2005 and all the work that I have undertaken in the period 2005 to present has therefore been of a temporary nature. I still work for Adv. Babb on an <i>ad hoc</i> basis.</p>
