PROFILE:

Being a diligent and hard worker, achieving short and long term goals is something that comes with relative ease. With regards to the aforementioned, I am able to handle multiple tasks at the same time as is evident by being able to manage being employed throughout my academic career. Having worked in various places of employment, I have further developed the passion I have for people and working with people from different backgrounds. I am a friendly person who portrays respectable interpersonal skills. With respect to my Bachelor of Law studies, I have undergone vast personal and professional growth where my articulate and communicative skills has improved and as a result, I am self-confident in various aspects of my career and life. I feel that I can be beneficial in any environment.
