Dear Sir/Madam,

APPLICATION FOR CANDIDATE ATTORNEY POSITION

With reference to the abovementioned position, the attached CV is submitted for your consideration.

I am a law graduate from the University of the Western Cape and wish to apply to serve my articles of clerkship in Cape Town, for the required two-year period.

Studying toward my LLB degree has been personally and intellectually rewarding. Although I find a number of subjects interesting, the field of law I am most drawn toward is Conveyancing. I chose Conveyancing as one of my electives in my final year and passed the final examination with distinction.

For the duration of my studies I worked as a part time sales manager at Scalini, a boutique store situated in Greenpoint, to fund my tuition fees. My duties include marketing the items by visually dressing the store in such a way to ensure that the clothes on show appeal to the intended target market and also invite people to enter the store; managing the store as well as general administration work. The duties and responsibilities require me to be a well presented, responsible individual and to make decisions for the business in the absence of my employers.

In addition to working at Scalini, I worked on a part time basis at RT Packaging, a well-established business. My duties were primarily focused on general administration which included data capturing and book keeping. This job required attention to detail, precision and accuracy.

I am a driven, motivated and hardworking individual with a passion to achieve the goals that I have set for myself, I am committed and passionate about the law and I am eager to enter the challenging environment of a candidate attorney.

Thank you for considering my request. I look forward to your response.

Yours sincerely,

Aa-asha Hamit

TO WHOM IT MAY CONCERN

AA-ESHA HAMIT
STUDENT NO. 3163185

Ms AA-Esha Hamit is known to me as a final year student in the Faculty of law, University of the Western Cape. She attended my classes in 2016 for Law of Evidence (402) and Conveyancing 431, which I am lecturing to final year students.

During this time she continually impressed me with her demeanour, intelligence and enthusiasm. She exudes confidence and has certain ease in communicating with others, which is highly commendable. AA-Esha has a very friendly, polite and helpful personality.

She is a well-balanced person and also contributed regularly in discussions during class. Her marks obtained are indicative of her academic abilities. Ms Hamit is a solid student with a decent academic record. She obtained two distinctions during her period of study, of which Conveyancing 431 was one,

I have no hesitation in recommending her for any position that she is applying for.

If this testimonial is required for her registration as a candidate attorney, I regard Ms Hamits as a fit and proper person to so register and am unaware of any factor that could be used to preclude such registration.

Yours faithfully

A J Hamman
