SKILLS, ACHIEVEMENTS AND COMPETENCIES BASED ON EXPERIENCE

- Eager to form an early association with an esteemed legal practice where one can further develop one's personal skills, apply formal legal training and invest a passion for law within a professional environment.
- Determined to master the four pillars for success in law: technical skill, subject knowledge, communication and insight.
- Experienced in confidently presenting opening statement as member of the Final Stage Moot Court team in 2017.
- Member of the debating society at Stellenbosch University which contributed towards developing valuable skills within public speaking, communicating effectively and reasoning logically in a competitive environment.
- Remain politically aware through reading and researching diverse opinions and approaches.
- Able to handle constructive criticism, eagerly share knowledge, as well as willing to learn what others have to offer.
- Motivated to assist those in need of legal intervention in order to resolve differences on the basis of reason, fairness and predictability.
- Perform all duties with integrity and high ethical standards including embracing diversity.
- Valuable experience gained within diverse legal procedures while completing internship.
- Successfully established a small company to contribute towards own support and which resulted in developing skills within planning, structuring time, networking, marketing and sales, planning, remaining customer service driven, and the value of forming strategic relationships of trust.
- Successfully completed the Ironman 70.3 triathlon event through remaining committed to Maties training squad, persevering, and remaining motivated to achieve set goal.
