TESTIMONIAL

It affords me great pleasure to furnish a letter of recommendation for Kaylynne Stuurman.

Kaylynne is registered for the course Legal Process and it is in my capacity as lecturer and Director that I interact with her.

The course, Legal Process, consists of a classroom and a practical component. The practical component which consists of work in the Campus Law Clinic is designed to introduce senior law students to the concept of live-client, in-house clinical legal education. They are exposed, under the close supervision of qualified attorneys to legal problems arising from a real client base. One of the main objectives of the course is to help law students make the transition from student to lawyer and we use the lawyer/client dynamic to achieve most of our teaching goals.

Kaylynne is very bright and has demonstrated an eagerness to learn. She is very well organized, approaches projects in a systematic way, and manages her time effectively.

Kaylynne has a pleasant disposition: she is at all times self-assured, courteous and polite. Her manner is at all times pleasant and affable.

I am of the considered opinion that Kaylynne - with guidance and mentoring - has the competency and enthusiasm to excel in the practice of law. In view of her commitment to excel in her work, I am confident that she will in time develop her potential and competencies.

I respectfully submit that to the best of my knowledge Kaylynne satisfies the criteria of a fit and proper person to practice law.

TESTIMONIAL

Ms Kaylynne Darian Stuurman is one of my students in the faculty of law where I lecture the Law of Criminal Procedure and the Law of Evidence.

Ms Stuurman is a hardworking student as evidenced by her good performance in many of her modules. She has the potential of being a very good researcher. As an LLB student in the Law of Criminal Procedure, she was required to answer essay and scenario questions on complex legal issues. I found her essays to be of very good quality based on critical analysis of the relevant case law and statutes.

Ms Stuurman has the unique and enviable ability to balance her studies with the equally demanding various activities she is involved in at the university. She is active in the Street Law Project, where she is involved in different events on campus. She is also a student legal consultant at the University of the Western Cape's Legal Aid Clinic where she advises clients on issues relating to divorce and maintenance.

I am confident that as a candidate attorney she shall be loyal and hardworking.

Yours sincerely
