PERSONAL STATEMENT

I am a dedicated and hard-working student, with a Bachelor of Arts in Law and a Postgraduate LLB from the University of Stellenbosch. I completed the final semester of my LLB at the University of Antwerp, Belgium, as part of an exchange programme organised by the Stellenbosch University Law Faculty. I see myself as someone who is innovative, emotive and adaptable; able to generate original ideas and apply them in useful ways. I firmly believe in the value of working as a team with fellow colleagues, as I believe that more can be achieved when working towards a common goal, rather than towards one's own end. I am able to think differently and take the lead on projects. Working on tasks with intensity, as well as the ability to cope with an embrace change, has helped me to become flexible, dependable and conscious of others.
