EMPLOYMENT HISTORY

Malan Scholes Attorneys - Johannesburg, RSA

Jan 2018 - Present

- Candidate Attorney with rotations in energy, environmental and mining, corporate/M&A and dispute resolution (including regulatory/compliance, investigations and general litigious work).
- Dispute resolution/investigations highlights include advising on urgent court applications relating to: unlawful mining operation stoppages, the setting aside of residential developments overlapping with future mining areas, the removal of illegal miners, reviewing decisions taken by the Department of Mineral Resources in terms of the MPRD Act and arbitrations relating to the coal mining industry.
- Corporate/M&A experience: I started in this team in August 2018. The team focuses on general corporate and M&A work across Africa with a large focus on the mining sector. I have been, and will continue to be, exposed to the drafting of commercial agreements for both private and public M&A transactions, due diligence investigations and other general corporate agreements whilst working directly with Directors on most matters.
