EXPERIENCE

FEBRUARY 2016 –NOVEMBER V2016

PEER MENTOR, UWC PEER MENTORINNG PROGRAM

The UWC Peer Mentoring Program aims to help first years adapt to the university environment and lifestyle. The duty of a peer mentor is to provide the mentee with academic and social support and they do this by having meetings to find out what the mentee is lacking. The duties of the mentor include preparing for the sessions by identifying what each mentee is struggling with, research and present to the mentee resources that can assist with the problems they are facing and teach the mentees about the different student institutions that assist them on campus. The mentors go through training to ensure they carry out their duties fully.

FEBRUARY 2017 – NOVEMBER 2018

HEAD MENTOR, UWC PEER MENTORINNG PROGRAM

The head mentor exercises an oversight position over the assigned mentors. As a head mentor I went through a vigorous leadership training which equipped me with the sufficient leadership skills I needed not only to perform my duties but to also use such skills in the workplace in future. Working at the UWC Peer Mentoring Program has taught me how to work with diverse people but also taught me how to work in groups and under pressure.

ORGANIZATIONAL EXPERIENCE

In 2016 I served as the Projects Officer in the executive of the Student Christian Organization of the University of the Western Cape. My duties include planning events for the organization, organizing catering and accommodation for such events. At SCO we have annual events such as the beach outing, camp and the closing function amongst others, the projects officer is responsible to ensure that all these events are a success

EDUCATION

DECEMBER 2018

LLB, UNIVERSITY OF THE WESTERN CAPE

I recently completed my LLB at the University of the Western Cape in 2018. Herein, I completed my bachelor's degree with a specialization in procedural law.

MAY 2019

PRACTICAL LEGAL TRAINING, SCHOOL FOR LEGAL PRACTICE – UNIVERSITY OF CAPE TOWN

I am currently completing my practical legal training at the University of Cape Town. The course is expected to end in October 2019.

SKILLS

- Team work
- Computer skills (Microsoft word, Excel, Microsoft office)
- Drafting of Legal documents
- Team work
- Moderate Litigation skills until completion of Training

ACTIVITIES

I was also involved in various programs on campus such as the Peer Mentoring Program, where I rose to the position of head mentor. This is representative of my ability to multi-task and displays my natural ability to lead. The taught courses that I have undertaken, coupled with my association with organisations such as the Black Lawyers Association Student Chapter and the Umtapo Student Movement UWC Chapter, have also sharpened my ability as well as interest in work in human rights as well as social justice.
