● Extra-curricular activities

March 2012 - present

One of the founding members of the Moot Society in 2012. The society was founded with the objective of developing the students' capacity to take part in moot court competitions and further their advocacy presentation skills.

2011 - present

Longer distance jogging with Itheko jogging group. I am in the 7min per kilometre group.

● Volunteer Experience

Feb2012- May 2012

University of Western-Cape, ENACTUS (SIFE).

It is an organisation aiming to change the world around it. Starting with the things that it can change with people who are willing to make that change. I participated in the gardening program at Tahili Rehab Center.

June 2012

Habitat for Humanity house building project. This was a volunteer project to help build houses in poorer communities in which the volunteers would help the builder buy fetching the bricks, sand, mixing of cement and shifting of scaffolding.
