RE CANDIDATE ATTORNEY APPLICATION

I am a dedicated LLB student at the University of the Free State that is searching for a position as a Candidate Attorney in the year 2019 at your Law Firm. My curriculum vitae are attached for your further attention.

I would like to offer my knowledge and skills to your firm as soon as I finish my studies in 2018.

I received my BCOM LAW degree at the University of the Free State in 2017 and I am currently busy with my LLB degree. I will be ending my LLB degree in 2018 and I am excited to start my professional career. I have a passion for the Law and I would be honoured to be a Candidate Attorney at your firm. I am a motivated and quick learning individual that has been an asset to all environments I have been in. My leadership and interpersonal skills have helped me accomplish all I have set out to accomplish so far and make me easy to work with.

I can contribute knowledge to your firm that I have learned not only in my LLB degree, but my BCOM LAW degree as well. The modules that will be of an advantage for this position include, but are not limited to Business Management and Accounting.

I grew up in a Christian home with morals and believe that everybody is equal. It is important for me to finish what I started, to be fair, honest and to assist people who can't help themselves. I believe furthermore that one's will power determines your success and not only your IQ.

Thank you for your time and consideration I am looking forward to hearing from you.

If there are any uncertainties or any further questions do not hesitate to contact me. It would be an honour for me to start my career at your firm to gain expert knowledge and experience.

Yours sincerely,

HESTER CECILIA WEPENER
