### **Brief description of myself:**

A bright, talented and ambitious candidate attorney who thrives in a dynamic environment and quickly adapts to the ever-changing demands of the legal fields. Detail-orientated, conscientious and organized. Constantly focused on effectively resolving client's legal issues and always looking for creative ways to achieve that goal.

I am a self-motivated, innovative and dynamic individual with strong leadership and interpersonal skills. Serving in various leadership positions during my time at Stellenbosch University enabled me to develop and acquire the skills and knowledge to co-ordinate and manage university- and residence events, which enables me to effectively liaise with clients and other interested parties as well developing my organisational, administrative and time management skills.

During my articles, I have gained experience in commercial and general litigation and I will be admitted as attorney in December 2018.
